

ECDA

November 23, 2020

Fellow ECDA members,

We hope you are doing well and finding ways to navigate through these tough times. We know this is an important time for us to stick together and support each other and we hope you are finding ways to do this. ECDA is always here if you need to reach out for support but unfortunately at this time, we have decided to cancel all of our workshops/trainings for the 2020-2021 calendar year. We do not see a possibility for in person trainings before spring and we know that directors are overwhelmed and understaffed right now making it difficult to commit to online trainings. The Steering Committee will continue to meet and work towards bringing back the workshops for the 2021-2022 season.

There is a group of programs that has committed to meeting once a month for a "Coffee Date" online to discuss a variety of topics and support one another. ECDA will continue to forward the links for these meetings to all our members. If you are interested in joining please reach out to Etta Heisler via email at: etta@appleplayschools.org.

We can't wait to see everyone back in person and once again please feel free to reach out if you are in need of support or with questions and suggestions.

Stay safe and stay healthy!

Sincerely,

Carrie Anderson

ECDA President
